PROFILE

30 years of experience in sales, proposals and contract execution of industrial plants worldwide.

20 years of experience in setting-up, motivation and leading of multi-disciplinary teams, across cultural and geographical borders.

10 years of experience in process optimisation and change management.

Emotional intelligence, open communication and solution-driven thinking combine to an agile working and management style.

Advancing a good cause and making a team and its members more self-reliant and successful in the process, this is what drives and satisfies me.

PERSONAL DATA

Born on 11 Sep. 1965 in Bottrop, Germany - married, no children

JOB EXPERIENCE

Contract & Risk Manager, Mauell GmbH

Velbert – Feb. 2017 to date

Contract reviews and risk assessments in the proposal and contract management phase. Training of employees in contract and project management. Coaching of key personnel of the restructured company, supporting of the sole managing director and owner in selected strategic projects within the Mauell Group.
